

PSA 1	
English	COVID-19 vaccines are FREE for everyone. But make sure and ask if there are any other costs with getting vaccinated. No one can be denied a free vaccine if they are unable to pay an administration fee. Once vaccines are widely available, anyone can get vaccinated regardless of immigration status. Protect yourself. Protect your community. Get vaccinated.
Translation	Las vacunas contra el COVID-19 son GRATUITAS para todos. Sin embargo, usted debe asegurarse y preguntar si hay algún costo adicional para la vacunación. A nadie se le puede negar una vacuna gratuita, incluso si no tiene la capacidad de pagar un costo administrativo. Una vez que las vacunas estén ampliamente disponibles, cualquier persona puede ser vacunada independientemente de su estatus migratorio. Protéjase a usted mismo(a). Proteja a su comunidad. Vacúnese.

PSA 2	
English	The COVID-19 vaccine protects you from getting COVID-19. If you still get COVID after you get vaccinated, the vaccine protects you from getting seriously ill. Even if you had COVID-19, you should still get vaccinated. Protect yourself. Protect your community. Get vaccinated.
Translation	La vacuna contra el COVID-19 le protege de contraer COVID-19. Aún si contrae COVID-19 después de vacunarse, la vacuna lo(la) protege de enfermarse gravemente. Incluso si usted ya tuvo COVID-19, debería vacunarse. Protéjase a usted mismo(a). Proteja a su comunidad. Vacúnese.

PSA 3	
English	COVID-19 vaccines are safe and effective. The vaccine CANNOT give you COVID-19. No other vaccine has been tested as much for its safety in U.S. history. The vaccine has been proven safe for thousands of people, including those of different races, ethnicities and ages. No other vaccine has been tested as much for its safety in U.S. history and millions of people have been safely vaccinated. Protect yourself. Protect your community. Get vaccinated.
Translation	Las vacunas contra el COVID-19 son seguras y eficaces. Usted NO PUEDE contraer COVID-19 por recibir la vacuna. Ninguna otra vacuna ha sido evaluada tanto por su seguridad en la historia de Estados Unidos. La vacuna ha demostrado ser segura para miles de personas, incluidas aquellas de diferentes razas, etnias y edades. Ninguna otra vacuna ha sido evaluada tanto para su seguridad en la historia de Estados Unidos y millones de personas han sido vacunadas de forma segura. Protéjase a usted mismo(a). Proteja a su comunidad. Vacúnese.

PSA 4	
English	COVID-19 vaccines are safe and effective. Side effects are normal and mean the vaccine is teaching your body how to fight the virus. You CANNOT get COVID-19 from the vaccine. Protect yourself. Protect your community. Get vaccinated.
Translation	Las vacunas contra el COVID-19 son seguras y eficaces. Los efectos secundarios son normales y significan que la vacuna le está enseñando a su cuerpo a combatir el virus. Usted NO PUEDE contraer COVID-19 por recibir la vacuna. Protéjase a usted mismo(a). Proteja a su comunidad. Vacúnese.

PSA 5	
English	The COVID-19 vaccine is halal. The COVID-19 vaccine does not contain any animal products. The COVID-19 vaccine does not change your DNA. The vaccine has been proven safe for thousands of people, including those of different races, ethnicities and ages. Protect yourself. Protect your community. Get vaccinated.
Translation	La vacuna contra el COVID-19 es halal. La vacuna contra el COVID-19 no contiene ningún producto animal. La vacuna contra el COVID-19 no cambia su ADN. La vacuna ha demostrado ser segura para miles de personas, incluidas aquellas de diferentes razas, etnias y edades. Protéjase a usted mismo(a). Proteja a su comunidad. Vacúnese.

PSA 5	
English	Stay safe after being vaccinated from COVID-19. Right now, experts don't know how long the vaccine will protect you. Even after getting the vaccine, continue to wear a mask, practice social distancing, wash your hands often, and disinfect high-touch areas frequently.
Translation	Manténgase seguro(a) después de ser vacunado(a) contra el COVID-19. En este momento, los expertos no saben cuánto tiempo la vacuna le protegerá. Incluso después de recibir la vacuna, continúe usando mascarilla, practique distanciamiento social, lávese las manos y desinfecte las áreas de alto contacto con frecuencia.
