FACT SHEET
The vaccine is free and no one needs to show their medical card or pay for it. (bandaid, top left)
Very few people may get sick from the vaccine for a day or two. And that is normal. (man with newspaper, top right)
Continue washing, hand washing and social distancing after vaccination. (two people distanced, bottom left)
People who are exposed to COVID-19 should get the vaccine because they can become infected again. Get vaccinated before you become infected. (three people with beams, bottom right)
