

XAQIQYADA LA XIRIIRA TALAALKA COVID-19

Talaalku waa lacag la'aan umana
baahnid inaad kaar cafimaad
leedahay.

Dad aad u yar ayaa laga yabaa inay maalin
ama labo ku xanuunsadaan talaalka.
Taasna waa caadi.

Afdaboolka, gacmo dhaqashada iyo kala
fogaanshaha sii wad talaalka ka dib.

Dadka uu COVID 19 ku dhoco waa inay qataan
talaalkiisa sababta oo ah markale ayuu qofku
qaadi karaa cudurka. Talaalka kaga hortag
intuusan cudurku kugu dhicin.
