

Malaria Project Community Advisory Board Ground Rules

- Arrive to meetings in a timely manner.
- Be courteous to one another.
- Stay focused on the task at hand.
- Keep an open mind and explore all ideas and perspectives.
- Ensure that everyone's voice is being heard.
- Troubleshoot together should problems occur.
- Bring feedback from others outside of CAB to facilitate further discussion.
- While we will explore differing viewpoints, we need to be able to move forward as a group by consensus or majority
