• Idaho Governor Brad Little has announced that starting March 29, all Idahoans with at least one medical condition will be eligible to get the vaccine.
• Then, starting April 5, all Idahoans 16 years and older will be eligible to get a COVID-19 vaccine.
• You can pre-register for the vaccine at COVIDvaccine.idaho.gov or send us a message if you want assistance signing up to get a vaccine.
• COVID-19 cases are starting to quickly rise again in Idaho.
• They are expected to continue rising in the next 3-4 weeks.
• Please continue to be safe, wash your hands, wear a mask, and social distance when around anyone who doesn't live in your household.
