DETAILS						
Take a moment to welcome everyone and thank moms for attending.	Moms get to know each other by physically moving around the space.	Establish ground rules to make sure this is a safe space for discussion.	Start the conversation about the vaccine by hearing from other women in the community.	Break time for moms to get to know each other one-on-one.	Card activity for moms to raise concerns, get valuable information, and discuss.	Set expectations for follow up and for the second gathering. Share information on actionable steps.
