Welcome!

We will get started in just a moment
How to Support Refugee, Immigrant, and Migrant Communities Before and After the End of the Public Health Emergency

April 20, 2023
Housekeeping

- We will email you:
  - The recording
    *Spanish and English subtitles will be ready in a few days*
  - Slides
  - Links to all resources
- Please use the Q&A or chat feature to ask questions
About NRC-RIM

The National Resource Center for Refugees, Immigrants and Migrants
History

- Funded by CDC, housed at University of Minnesota
- Established in Oct. 2020 as part of COVID-19 response
- Work with organizations serving RIM communities that are disproportionately impacted by health inequities
Goals

- **Strengthen partnerships** between health departments + communities
- **Support health departments + CBOs** that work with refugees, immigrants, + migrants
- **Reduce health disparities** + increase health equity
What We Do

- Promising Practices + Toolkits
- Health Education + Communications
- Online Training
- Technical Assistance
- Pilot Projects
- Dissemination
Core Partners
Community Leadership Board

- 13 members from RIM communities
- Governance body
- Inform decision-making + priorities
- Review materials
- Offer guidance
End of the Public Health Emergency
