

A young person with curly hair, wearing a white face mask and a white t-shirt, is pointing upwards with their right hand. The image is overlaid with a teal color filter. The text "Empowered communities save lives" is centered over the image in white, bold, sans-serif font.

Empowered
communities
save lives

We believe that public health solutions should be developed in genuine partnership with affected communities. Learn about our work:

- ▶ Promising Practices
- ▶ Health Education + Communications
- ▶ Technical Assistance
- ▶ Pilot Projects
- ▶ Professional Development
